

Attention All Indian Lakers: – A Huge Happy Birthday To Lew !

85 Years Young !

For many on Indian Lake Lew Harman is the face of the Indian Lake Yacht Club. He has been with us for 30 years in charge of the Marine Fuel Dockside. He quietly goes about the business of running the club year in and year out, professional in all that he does. Now son Jon, and grandson Jonathon are pulling the main responsibilities for us, but Lew is still around working the weekdays, assisting on weekends and Holidays, and joins us whenever he can, especially if pancakes are involved.

Please Be Sure To **Stop By** And Wish Lew A Happy **85TH Birthday On August 6TH Between 2 - 4 PM** At the **ILYC Clubhouse**.

There might even be a piece of cake to share ...
