Thank You.

Donation Challenge 2024

Hello Fellow Indian Lakers!

Thanks to your donations last year, we were able to accomplish much to help save, preserve and improve your Indian Lake Yacht Club.

With your help, we hope to continue with many of the still needed upgrades. This year's possibilities are to recondition the fuel shack/pump, make improvements to our camera system, add a few new modern outdoor tables, and a few other things we need to stay functional, safe & better serve our members. We are issuing the donation challenge to raise the necessary funds, and ask for your support.

A list of all of the donors will be featured in a Bilgewater Bulletin the latter part of the season. We thank you again for your generosity!

The dockside marine grade fuel, the sailing regattas, the boating safety classes, the fun social events for families and kids of all ages, the candy pop & ice, the weekly Bilgewater Bulletin delivered to your door, are all unique to our lake and the things that make summer even more special! Thanks again for your assistance and support of our great Indian Lake tradition — the ILYC!

<u>LEVEL</u>	<u>DONATION AMOUNT</u>
